

## Corey Laktas Joins Entre to Help Launch Entre Retail Division

**Chicago, IL (April 2025)** – Entre Commercial is pleased to welcome Corey Laktas to the firm. Corey joins Entre after 10 years with a family office that owns and operates over 600 retail locations totaling over 6 million square feet in 22 states across the United States. His last 5 years with the company were spent handling leasing, redevelopment and management of the company's retail portfolio. His experience consists of working with both national and local retail operators in leasing commercial space. With a background in restaurant operations, he has used that knowledge to work with brands such as KFC, Taco Bell, and Pizza Hut to expand their footprint in various states. Corey has also been a part of ground-up real estate developments, the sale of assets to raise capital for future ventures, and the development and implementation of processes and procedures to improve efficiencies at his former company.

Entre Retail is a new division of the company specifically devoted to retail brokerage and advisory services. These service offerings complement Entre's existing capabilities and will help our clients who operate in the retail sector.
