Chicago, IL (May 2025) - Entre is pleased to announce it has sold a 4 acre industrial site in West Chicago. We were able to assist a local trailer repair client in getting the site zoned properly for a 20,000 SF trailer repair facility with room to park up to 40 trailers on site. This project took several months to complete and now Entre will be helping the client design and build the facility from the ground up. Brad Bullington represented the buyer.
